

Standing Committee
April 20, 2016

USC: Mike Smith, Frank Stuhr, Keith Sloderbeck, Bill Kerr, Jennifer Byrum (notes)
Keith Brace and Keith Wright will be replacing Mike Smith & Mike Bouse-May 1, 2016

MSC: George Jones, Heather Bogle, Heath Gibson, Ian Dieter, Don Berry

Company Agenda:

- Discussed 5000 foot SQF Certification looking into it. They put a team together to start looking into what needs to be done and what's the best way to roll this out
- 2 Electricians entry level engineers joining the mill in June
- Discussed about some issues on EAS on floaters had impact on system due to changes to floaters this year.
- Questions came up where EE's can print out paystubs that are secure. They can print in clockroom and print out in HR Monday thru Friday. If you print there it will only go to HR printer, nowhere else in the mill
- Ian talked about data pulled up from the speed signs around the mill and had several; people driving 27 by #5PM during the day

Grievances:
