TAD business has been curtailed, now running full. Sends mixed message, feels that company is building inventory in anticipation of converting changes next year because of 3 year plan

Serious hand injury on winder in Muskogee yesterday

3rd Step Grievances

14-29

USC: Withdrawn

Ian Dieter states that overtime information request will be sent, probably tomorrow

Agenda:

- Crews express concern over mobile equipment through roll up door between cores and box facial. Jeremy Ness states union employees are asking for a camera on the door
- Three people still out pending investigations
- Heath Gibson asked for probationary extension on napkin bidder
- Week of 5/4/15 and 5/11/15 will be the Electrical outage weeks
- Union would like to thank company for participation in getting Trade Act assistance for laid off employees
- Union asks if there is any updated information for laid off employees

Grievances:

- Waiting for response on 14-14, company not ready to give reply
- Union asks if all employees affected under #13-16 have been paid, Company state yes

13-44:

USC: 1&2 SOP for curtailments

13-53:

USC: maintenance reliefs, seven scenarios

14-01:

USC: Posting maintenance reliefs

14-17:

USC: MOA #7, EE should be paid 4 hours

MSC: What was remedy?

USC: Make Whole

14-19:

USC: Hold Timely

14-21:

USC: Grievants ask for timely information

JSC: We question the timeliness of grievance, occurred in April, but not grieved until July

USC: Feels that even if grievance was not timely the core problem still exists and needs to be corrected

14-22:

USC: Withdrawn

14-23:

USC: EE should have been scheduled for work, make whole for lost wages

14-24:
